About the University Bands

Instrumental ensembles have enjoyed steady growth during the past 30 years at the U of L. Originally a University/Community band, the Wind Orchestra is now comprised of 65 U of L students. Music majors make up the large percentage of the group with other students coming from various disciplines across campus. The group has an active performance schedule of local concerts on and off-campus, fall and spring convocations and tours. Many of the Wind Orchestra students are studying to be music educators; their knowledge and performance of quality composers and compositions is critical to their success. Other active ensembles include the Percussion Ensemble, Jazz Ensemble, Brass and Woodwind Choirs and numerous small chamber ensembles.
