

Student and Practicing Teachers Needed for Study

Should young people be allowed to vote in Canadian elections? Why or Why not?

Overview:

Kaitlynn Weaver, an MA student at the University of Lethbridge, is interested in talking to educators about the political abilities and rights of young people. Educators must have completed PSI or higher, and be 18 years of age or older.

Interview Details:

The interview will take approximately 1-1.5 hours and will use semi-structured questions

If you're interested in participating in this study, please email Kaitlynn Weaver at kaitlynn.weaver@uleth.ca
