³ Rates are dependent on quotes from the external insurance carrier and are subject to change. Full-time students should expect to pay between \$210 to \$250 for four months of coverage. Each student in the ELI must have health (medical) insurance. We encourage EAP students to purchase health insurance BEFORE travelling to Canada. Upon arrival, students must speak with Health Centre staff to verify their current coverage or to receive help with applying for health insurance if they do not have coverage already.

⁴ UPASS is a per semester fee based on the cost of a one month City of Lethbridge bus pass plus a \$5.00 administration fee. Rates are subject to change. Please contact the Students' Union Office for more information and opt-out criteria.

Small variances may be due to system rounding.
