

The CIBC Navigator Program

The ALC - Accessible Learning Centre is pleased to partner with CIBC and Career Bridge Centre for WIL and Career Development on the CIBC Navigator Program. This program is built on equitable opportunities for students to gain meaningful employment experience and is driven toward the support and development of disability-confident and inclusive Co-op placements.

Students with disabilities will be provided with:

- Supports and tools to identify and leverage their individual strengths.
- Assistance in creating individualized workplace plans to include supportive accommodations.
- Resources to become skilled at self-advocacy.
- Access to financial incentives.
- Opportunity to work with employers who are committed to providing inclusive work environments.
