

# INDG3850A (LING3850CL)

## NEW COURSE OFFERING

### FALL 2023

## LANGUAGE, CULTURE, AND COGNITION

How does language impact the way we think? How are our cultural ways of thinking reflected in the way we speak? What role do metaphor and metonymy play in language and thought? This course addresses these questions within the framework of Cognitive and Cultural Linguistics.

Prerequisites: LING2300 and LING2600

Monday | Wednesday

3:00pm-4:15pm

Room C630

Instructor: Dr. Conor Snoek
