

Guideline: Student Reference Request

PURPOSE:

The purpose of this guideline is to outline the reference request process for students interested in applying for student employment and/or scholarships.

BACKGROUND:

Students in the NESA BN Programs frequently pursue student employment and/or scholarships during their nursing education and seek instructors' references. A clear process is needed to ensure that the provisions of the *Freedom of Information and Protection of Privacy (FOIP) Act* are complied with during the reference request process.

DEFINITIONS:

Freedom of Information and Protection of Privacy {FOIP} Act: This Act protects an individual's privacy by setting out rules for collection, use or disclosure of personal information by public bodies. It also provides a method of requesting access to information which is not available by other means.

GUIDELINE SCOPE:

This guideline applies to all students enrolled in the NESA BN Programs.

SPECIFICS OF THE GUIDELINE:

1. A student who is seeking a reference must complete the Student Reference Request and return it to the faculty member prior to receiving a reference. *See Appendix A.*
2. Students will also complete the required documentation from the affiliated institution (Lethbridge Polytechnic and/or University of Lethbridge).
