University of Lethbridge welcomes women from STEM disciplines at Women in STEM Conference

The University of Lethbridge will host the **Women in STEM Conference** on **Tuesday, February 11, 2025**, from **12:30 p.m. to 5 p.m.** in the **Science Commons Atrium**. The conference aims to bring together women across all STEM disciplines at ULEthbridge to showcase their work and connect with others in the field.

The event will feature poster sessions, a keynote address, a panel discussion, and family-friendly STEM activities. The conference is open to anyone involved in STEM research at ULEthbridge, and all levels of education are welcome to present a poster.

Women in STEM Conference Schedule

12:30 p.m. — Welcome address by Dr. Chelsea Ekstrand, Assistant Professor, Department of Neuroscience

1 p.m. — Poster session A

1:45 p.m. — Keynote address by Dr. Alexandra Tetarenko, Assistant Professor, Department of Physics and Astronomy

2:30 p.m. — Poster session B

3:15 p.m. — Panel discussion: Early career pathways: Where are you going?

4 p.m. — Family STEM Activities hosted by Let's Talk Science

Media are invited to attend the 1 p.m. Poster Session A to speak to conference organizers and poster session participants.

Our University's Blackfoot name is Iniskim, meaning Sacred Buffalo Stone. The University is located in traditional Blackfoot Confederacy territory. We honour the Blackfoot people and their traditional ways of knowing in caring for this land, as well as all Indigenous Peoples who have helped shape and continue to strengthen our University community.
