	EDUC 5709 Counselling Psychology: Practicum I Culminating Activity: Project OR Thesis	EDUC 5711 Counselling Psychology: Practicum II Culminating Activity: Capstone OR Project OR Thesis

- ◇ Counselling Practicum include synchronous seminar components. Practicum placements may require a vulnerable sector check or similar.
- ◇ Students completing a Project or Thesis should aim to establish their Supervisory Committee no earlier than their third term (Spring Year One) and no later than their fifth term (Fall Year Two). This route may require additional terms to complete program.
- ◇ Courses in first year of program are offered on campus, normally during the day.
- ◇ Program is a College of Alberta Psychologists approved program pathway.
