

ULETHBRIDGE FACULTY OF FINE ARTS
PRESENTS

ABBONDÀNZA 2026

AN EVENING OF ABUNDANCE

APRIL 17 | 5-10 PM

The name means abundance, and it's felt in every detail: the courses thoughtfully paired with wine, the performances threaded between plates, the warmth of friends old and new. Each contribution flows directly into scholarships for Fine Arts students — and, with the University's Board of Governors matching every dollar, your generosity works twice as hard.

WAYS TO BE PART OF THE TABLE

\$5,000 THE CHALLENGE SPONSOR Fuel the evening's momentum by offering a matching challenge to guests. Every gift inspired by your pledge is doubled by the Board of Governors, making your role a catalyst for generosity. Includes two tickets to the event and premium recognition throughout the night.	\$3,000 THE MUSE Six seats in the centre of it all with your name woven into the welcome. Elegant table signage and recognition as one of the evening's key supporters.	\$2,000 THE FIRST TOAST Shape the opening moment of the night with a signature reception drink and the chance to raise the first glass. Includes two seats at the table.	\$1,800 THE PORTATA Choose Antipasto, Primo, Secondo, or Dolce and have your name tied to the artistry of the plate. Each course is a performance in its own right.	\$1,800 THE VINTER'S CHOICE Help select the evening's wine and be part of every shared glass and conversation it inspires.
