

Re: *Proof of Provincial Attestation Letter (PAL) exception*

Dear Officer,

I am a current and continuing student at the University of Lethbridge, in Alberta. I hold a valid study permit and now need to apply for a new Temporary Resident Visa (TRV).

According to the IRCC website, a Provincial Attestation Letter (PAL) is not required for a TRV application.

Please accept this letter along with a copy of my valid study permit as proof of my PAL exception for this TRV application.
