Celebrating the development of The Grove with market, food trucks and live music

What began as a vision for a shared outdoor space dedicated to recreation, engagement and connection is now becoming a reality. Join the University of Lethbridge campus community and partners to celebrate the official launch of construction and the shared commitment making it possible, led by the generous support of the Embark Student Foundation.

WHAT: The Grove First Dig

WHEN: Wednesday, May 20, 10:30 a.m.

WHERE: The Grove (grassed area directly east of Markin Hall)

A short program will introduce The Grove, its concept and how it will help shape student wellness for years to come.

Following the ceremony, enjoy a community market featuring local vendors, food trucks and live music.
