## **Students get chance to step into the role of a CEO at Dhillon School of Business 2026 High School Business Day**

The Dhillon School of Business at the University of Lethbridge is giving high school students a chance to experience business firsthand through a one-day, immersive event.

On Friday, May 22, from 9:50 a.m. to 3:10 p.m. in Markin Hall, students in grades 9–11 can take part in the 2026 High School Business Day at Dhillon, a free, hands-on program where they will:

- sit in on a real business class;
- tour the business school and learn about programs;
- connect with alumni and hear stories about where their degrees led them
- step into the role of business leader, making decisions and competing in a live simulation as CEO of their own business.

The event will give students a realistic look at what it's like to be a business student and explore future careers in management and entrepreneurship.

The event is generously sponsored by the CPA Education Foundation. Breakfast, lunch and parking are included.

High school students can register at: [go.uleth.ca/high-school-day](https://go.uleth.ca/high-school-day)
