

HAVE YOU USED A SCALE UP ROOM FOR YOUR OWN INSTRUCTION IN THE PAST 3 YEARS? WHY OR WHY NOT?

n: 82

Top reasons for **NOT** using the room:

- There are perceived booking/room assignment constraints
- The room does not fit their pedagogical style or needs for the class
- They did not know it existed
- The size of room is too small or large for their needs
- They have issues with the no front of room design
