

How to Purchase a Parking Permit

Follow these steps to purchase your parking permit online:

Step 1: Go to ➡ parking.uleth.ca

Step 2: Click [Login](#)

The screenshot shows the homepage of the University of Lethbridge parking website. The header includes the University of Lethbridge logo and a 'Login' button circled in red. The main content area features a grid of service tiles: View/Manage Account, Appeal Ticket, Order Permits, Modify Account Vehicles, Campus Maps, Permit Regulations, How To Purchase a Parking Permit, How To Modify Account Vehicles, and FAQs. A 'News' sidebar on the right contains updates on ticket balances, appeals, and nose-in parking requirements.

Step 3: Select [External Authentication](#) and sign in using your [Bridge credentials](#).

The screenshot shows the login selection screen. Under the heading 'Select a login method:', there are two buttons: 'External Authentication' and 'Departmental Login'. The 'External Authentication' button is highlighted with a red oval. To the right, the text 'External Authentication' is displayed, with a 'Login' button below it, also circled in red.

Step 4: Click [Order Permits](#)

Step 5: A list of available permits will appear, based on your category. Select the available permit you wish to purchase.

Please now review the following **Terms and Conditions** set with the permit. *Parking tickets may be issued to vehicles ever found in violation of these regulations:*

1. The parking permit authorizes parking for **only** in the given lot that the permit is issued to. This *does not* permit free parking access to any other permit required lots, Pay&Park stalls, or any reserved stalls.
2. The parking permit cannot be shared and will not be authorized to be used by others.
3. As per enforcement usage of LPR technology (Licence Plate Recognition), all parking on campus is “**nose-in**” **required** parking. Pulling-through or backing-into parking stalls is not permitted.
4. Students are authorized to have only 1 vehicle listed on their permit, however any changes/modifications needed are authorized to be made online through the parking portal: <https://parking.uleth.ca/>
(Please remember it is the responsibility of the permit holder to ensure all information is correct and up to date on the permit **before** parking on campus)
5. Employee/Staff parking permits are authorized to have up to 4 vehicles listed on their permit. Please note, only **one** vehicle is allowed to be on campus at a time under one permit, unless one vehicle pays for parking. If multiple licence plates under one permit are found on campus with no proof of payment, **both** vehicles will receive a citation which *cannot* be appealed.
6. No parking on roadways at any time. No overnight parking on campus at any time** All other posted parking signage and enforcement times on campus are to be followed.
**only valid Residence parking permits are authorized overnight in their specified permit lot
7. Parking tickets may be issued to vehicles ever found in violation of these regulations.
