

AI Assessment Review

Assessing the Impact of AI on an assessment

1. Identify the learning outcomes that the assessment covers:

2. Review Rubric:

Outcomes	Current Assessment	AI Impact	AI Alignment
☐ Clearly Communicated ☐ SMARTIE* Notes:	☐ Covers but does not exceed outcomes ☐ Aligns with outcomes (see Bloom's) Notes:	Ways AI could undermine: Ways AI could support:	☐ AI expectations discussed and clearly communicated including reasoning ☐ Focused on human skills/process ☐ Support critical thinking/meta cognition ☐ Controlled environment ☐ Authentic feedback loop ☐ Regularly reviewed Notes:

*remember SMARTIE- Specific, Measurable, Achievable, Relevant, Timely, Inclusive, Equitable

3. Scale: (indicate where assessment falls)
