**Biography**

Darlene has worked for Community Futures for fifteen years, spending part of her time in the Crowsnest Pass as the Marketing/Tourism Coordinator and the rest of the time as the Economic Development Coordinator for the Lethbridge Region. Darlene completed her Certificate in Economic Development from the University of Waterloo in 2002. She has worked with various town councils and economic and community development committees to assist them by implementing surveys and strategic planning and developing marketing projects. Darlene is a past board member of various chambers of commerce in Southern Alberta, Chinook Country Tourist Association, and the Alberta Rocky Mountain Snowmobile Association. Darlene is President of Economic Developers Association of Alberta (EDA) and a Board Member of Economic Developers Association of Canada (EDAC).
