Education 2500 Learning Outcomes

Learning Outcomes

Overarching

The student will be able to . . .

1. make an informed decision relative to teaching as a career;
2. communicate verbally, non-verbally, and in writing;
3. identify teachers' professional responsibilities;
4. recognize the richness and complexity of teachers' working realities;
5. establish and maintain a positive rapport with members of the learning community;
6. demonstrate personal and professional conduct and attributes as defined by the Faculty of Education Standards of Professional Conduct derived from the Alberta Teachers Association (ATA) Code of Conduct; and
7. reflect critically and analytically on his/her teaching and learning experiences.

Seminar

The student will be able to . . .

1. describe the relationships among fundamental aspects of contemporary education (e.g. school, student, teacher, community, curriculum);
2. describe issues and ethical concerns related to the teaching profession;
3. develop a sense of own professional identity; and
4. demonstrate skills and attributes required to become an effective teacher.

April 30, 2014

Field Experience

Under the direction of the Teacher Associate, the student teacher will be able to . . .

1. make appropriate personal and professional decisions;
2. direct learning activities for individual students and small groups;
3. respond to the diverse needs of learners; and
4. maintain established academic and behavioral expectations, procedures, and routines.
