

**From Highway #3 (West/Calgary):**

As you approach the City of Lethbridge on Highway 3 past Coalhurst, you will encounter two exits for West Lethbridge (Highway 3A and Highway 25 South). The most direct route is the second exit (Highway 25 South to West Lethbridge).

As you continue to proceed south, this road becomes University Drive. Follow University Drive to Columbia Blvd (you will see the University of Lethbridge property on your left). Approaching this intersection you will encounter double turning lanes.

Of the two lanes stay in the one on the left and once on campus proceed through the traffic lights (there's only one set on campus!). For parking instructions, please follow the directions on the *Campus map*.
