

Important Health Spending Account (HSA) claiming information

The Health Spending Account (HSA) claim form is used to submit expenses processed under your Health Spending Account. If you wish to submit them first through your health or dental plan(s), please use the appropriate Alberta Blue Cross health or dental claim form.

What expenses can I claim?

- Health Spending Accounts are governed by taxation rules and regulations developed by Canada Revenue Agency (CRA).
- A Health Spending Account (HSA) may be used to claim eligible health or dental related costs incurred by you and/or your eligible dependents.
- Any eligible medically-related expense that could be used to meet requirements for inclusion on a plan participant's personal income tax return (in accordance with the Income Tax Act-Medical Expense Tax Credit) is eligible for reimbursement.

For Group Health/Dental Plan Expenses

m I can claim a medical expense tax credit) Signature of Subscriber

(for example, prescription drugs, dental, physiotherapy and vision claims)

If a medical expense qualifies as an eligible claim through a group health/dental plan, then it is eligible under your HSA. The majority of medical expenses that qualify for an HSA fall under this category.

Examples include co-pay amounts, deductibles, vision care expenses and orthodontic procedures.

Alberta Blue Cross will validate, assess and adjudicate these claims. A general listing of eligible expenses can be found on the Alberta Blue Cross web site at www.ab.bluecross.ca/gpmd_hsa.html.

Other Medical Expenses

(for example travel expenses, vehicle modifications and home renovations)

Other medical expense may qualify for your HSA plan.

Since Canada Revenue Agency (CRA) decides what expenses are eligible under an HSA, and since the eligibility of claims is based on personal taxation and health status, Alberta Blue Cross is not in a position to confirm whether your claims of this nature are allowable under CRA rules and guidelines.

The CRA has published a list of general expenses that are eligible. This list can be found at www.cra-arc.gc.ca/tx/ndvdls/tpcs/ncm-tx/rtrn/cmpltng/ddctns/lns300-350/330/llwbl-eng.html.

Alberta Blue Cross will reject claims for expenses that are non-health related.

If your claim is unique in nature and you are unsure whether it is eligible, we advise you to contact Canada Revenue Agency at 1-800-959-8281 to obtain more information.
