

Program	Major	Additional Requirements: High School Courses (or equivalent)						Additional Requirements: Other	
		Biology 30	Chemistry 30	English 30-1	Mathematics				Physics 30
					30-1 or 30-2	30-1	31		
<b>Faculty of Health Sciences</b>									
B.H.Sc.	Indigenous Health <sup>1</sup>			❖					• Spoken English Language Proficiency
	Addictions and Mental Health Counselling <sup>2</sup>			❖					• Spoken English Language Proficiency
	Public Health <sup>1,4</sup>	❖	❖ <sup>4</sup>	❖	❖				• Spoken English Language Proficiency
B.N.	Nursing <sup>3</sup>	❖	❖	Min. 60%	❖				• Spoken English Language Proficiency • Minimum Overall Admission Average: High School: Competitive Post Secondary: Competitive
<sup>1</sup> Indigenous Health and Public Health majors - When the number of qualified applicants exceeds the number of available spots, the minimum admission average may be higher. <sup>2</sup> Applicants applying to the B.H.Sc. (Addictions and Mental Health Counselling)/B.A. (Psychology) program are required to have Biology 30 and Mathematics 30-1 or 30-2. <sup>3</sup> Competitive average is calculated on five courses - four required high school courses indicated above plus one other 30-level course. For post-secondary applicants, a grade in an approved university-level course (minimum 3.00 credit hours) in the same discipline may be used in place of the high school mark, if it is more advantageous. The fifth course may be substituted by any minimum 3.00 credit hour university-level course. <sup>4</sup> Applicants who have previously completed an approved undergraduate degree are not required to have Chemistry 30.									
<b>Dhillon School of Business</b>
