Final Official Documents (All Programs)

Final official documents for admitted students are required by the date defined in the Graduate Academic Calendar as the first day of classes for the term of admission. If you are completing your current program during the term immediately preceding your term of application, an official letter of completion can be submitted from that institution in lieu of a conferred transcript, which will be due upon conferral.

¹ Documents required by Admission Decision Document Deadline include: all unofficial academic transcripts, letter of reference, Curriculum Vitae (C.V.), Letter of Intent, test results (including ELP), portfolios and other documents or statements required by the program.

² A Domestic student is any student who is a Canadian citizen, permanent resident, protected person in accordance with the Immigration and Refugee Protection Act, and any student who is a holder of a diplomatic visa issued by the Government of Canada.

Note: When a deadline date occurs on a weekend (Saturday or Sunday) or Statutory or Civic holiday, the deadline will be the next working day. For conditional admission, ELP and unofficial transcript showing all courses completed with final GPA must be submitted to Admissions prior to the first day of class of the term of admission.
