Liberal Education List Requirement

This Liberal Education List Requirement Transfer Sheet is designed to help you plan your transfer program to the University of Lethbridge. The information should help you keep track of your progress. It must be used in conjunction with the Medicine Hat College and University of Lethbridge Calendars and the Alberta Transfer Guide, which are the final authorities on all questions regarding program requirements and admission to University of Lethbridge programs. Students are also advised to consult the University of Lethbridge program planning tools available online at www.ulethbridge.ca/ross/programs.

The Liberal Education List Requirement (Lib Ed Requirement) is a 12-course requirement (36.0 credit hours) for all University of Lethbridge undergraduate students. It is based on the liberal education philosophy of the University and is designed to ensure that students acquire breadth of knowledge encompassing a wide range of disciplines. The Lib Ed Requirement must be completed by the time of graduation. To meet the Lib Ed Requirement, you must complete four courses (12.0 credit hours) from each of the following three groups that will also meet degree requirements. See the appropriate faculty/school sections in the University of Lethbridge Calendar and Course Catalogue for a listing of the disciplines that pertain to each faculty/school and program. Courses required for the major and/or minor may be used to satisfy the Lib Ed Requirement. If a Medicine Hat College course is being used to meet the Lib Ed Requirement, it must transfer appropriately as indicated below.

For Combined Degrees programs with Education, Lib Ed Requirement courses transferring as ABHL, ACCT, ADCS, AGEM, EDUC, FINC, HLSC, HRLR, IGBM, IMGT, MGT, MKTG, NURS, PUBH, or TREC may only count towards the degree requirements in the B.Mgt./B.Ed. program.
