Program Planning Guide

University of Lethbridge

Current and past Program Planning Guides are available on the UofL website at www.uleth.ca/ross/ppgs/ppg.html

Calendar Year: 2010/2011
Faculty: Management

Name: _____

First Degree: _____

Institution: _____

Date First Degree Awarded: _____

ID: _____

AGPA: _____

Admission

Admission to the Bachelor of Management Second Degree program in the Faculty of Management occurs following completion of an approved degree, other than the degree B.Comm. or its equivalent. An approved degree is a baccalaureate degree (with 30 courses or more), or its academic equivalent, from a recognized degree-granting institution. Other three-year International baccalaureate degrees or Applied Degrees may be considered a basis for admission to second degree programs with the prior approval of the Dean of the Faculty of Management.

Program Requirements

Second degree programs consist of the Arts and Science and Management courses required for the chosen major. Upon admission, an advisor in the Faculty of Management's Undergraduate Programs Office will review your previous educational background and design a program tailored for you. You will then receive notification of the courses required including the approval of advance credit or course waivers. Consult the University Calendar and Timetables for complete course information. Note that, depending upon previous educational background and chosen major, a Bachelor of Management as a Second Degree may require more than four semesters to complete. You may opt to take Summer Session courses which may reduce the overall length of time required to complete the degree program.

Minors

The Faculty also offers minors in Information Systems, New Media, Social Responsibility, and Supply Chain Management In some cases, achievement of the minor and a chosen major will require a student to take extra courses. For students who complete all the requirements, the minor will be acknowledged on the official transcript (see Part 11 - Faculty of Management, Section 12, in the 2010/2011 UofL Calendar).

Residence Requirement

A minimum of 15 courses (45.0 credit hours) extra to the first degree, including ten 3000/4000-level Management courses, must be completed at the University of Lethbridge. Computer Science majors can also use 3000/4000-level Computer Science courses to meet this requirement.

Program Length

A second degree program may be up to a maximum of 25 courses (75.0 credit hours) in length. Courses completed as part of a first degree may be used as advance credit in the Bachelor of Management as a second degree. Other program requirements may be waived in order to remain within the 25-course maximum. Such waivers will be decided at the time of admission by the Undergraduate Programs Office.

Minimum Grade Requirement

A minimum grade of 'C-' is required in Statistics 1770; Economics 1010 and Economics 1012; Writing 1000 OR a university English course; all courses marked with an asterisk (*); and all Management courses in order to meet degree requirements.

Grade	Core Courses
_____	Economics 1010 - Introduction to Microeconomics
_____	Economics 1012 - Introduction to Macroeconomics
_____	Management 2030 - Introduction to Organizational Behaviour
_____	Management 2060 - Introduction to Information Technology
