Refer to [www.uleth.ca/ross/admissions/deadlines.html](http://www.uleth.ca/ross/admissions/deadlines.html).

### Minors

The Faculty also offers minors in Information Systems, New Media, Social Responsibility, and Supply Chain Management. In some cases, achievement of the minor and a chosen major will require a student to take extra courses. For students who complete all the requirements, the minor will be acknowledged on the official transcript (see Part 11 - Faculty of Management, Section 12, in the 2010/2011 UofL Calendar).

### Campuses

The Faculty of Management offers programs on three campuses: Calgary, Edmonton, and Lethbridge. On the Lethbridge campus, students can pursue all programs and majors offered by the Faculty of Management. The Calgary and Edmonton campuses serve adult learners who may be in the work force wanting to further their education. These campuses offer the B.Mgt., Post-Diploma B.Mgt., second degree in Management, the PBCA, and other Management Certificates. Combined Degrees programs (B.A./B.Mgt., B.Sc./B.Mgt., B.Mgt./B.Ed., and Post-Diploma B.Mgt./B.Ed.) cannot be completed in their entirety on the Calgary or Edmonton campuses, and all Combined Degrees applicants will be assigned to the Lethbridge campus (see Part 11 - Faculty of Management, Section 4, in the 2010/2011 UofL Calendar). The following majors may be completed on the Calgary and Edmonton campuses: Accounting, Finance, General Management, Human Resource Management and Labour Relations, International Management, and Marketing. ### Notes

**IMPORTANT: Prerequisites and corequisites are subject to change annually. Consult the current Calendar or Timetable.**

1. Instead of Pure Mathematics 30 or Mathematics 30, students may use UofL's Mathematics 0500, or both Applied Mathematics 30 and a minimum grade of 75% in Athabasca University's Mathematics 101.
2. Students pursuing a B.Mgt. degree must take Management 2060 instead of Computer Science 1000. Management 2060 is substantially similar to Computer Science 1000 (refer to the 2010/2011 University of Lethbridge Calendar, Part 4, Section 3.c., Exceeding Course Limits, p. 71).
3. If ECON 2900 is chosen, students must take one non-Economics course from List II - Social Sciences or List III - Sciences instead of a non-Management elective to fulfill the GLER. Students choosing STAT 2780 may take a non-Management elective.

### Minimum Grade Requirement

A minimum grade of 'C-' is required in Statistics 1770; Economics 1010 and Economics 1012; Writing 1000 OR a university English course; and all Management courses in order to meet degree requirements.

### 1000-Level Limit

Not more than 10 courses may be taken at the 0100/1000 level for credit toward the degree.

### Residence Requirement

All students must complete at least 20 University of Lethbridge courses, 10 of which must be 3000/4000-level Management courses.

### Repeated Courses

You are allowed to repeat a course only once. Only your second attempt will be counted toward your degree. Students who have repeated a course must submit a 'Repeated Course Form' (available at the Registrar's Office and Student Services [ROSS]).

### Sequencing

Courses in this major may not be offered every semester. Students should consult current timetables. Students may opt to take Summer Session courses which may reduce the overall length of time required to complete the degree.

Sequencing of courses will vary for part-time students.
