2010/2011 Program Planning Worksheet

B.A./B.Mgt. or B.Sc./B.Mgt. with a Disciplinary, Combined Degrees, or Multidisciplinary Major

This worksheet has four sections (with instructions):

Degree Summary is an overview of degree and major requirements (p. 1).

Arts and Science Requirements helps you keep track of all of the Arts and Science courses you have taken, and how they fulfill specific major and degree requirements (pp. 2-3).

Admission to the Faculty of Management lists the requirements you need to be admitted into the Faculty of Management (p. 4).

Management Requirements helps you keep track of all of the Management courses you have taken, and how they fulfill specific major and degree requirements (p. 4).

Please remember that this is only a guide. It must be used in conjunction with the 2010/2011 University of Lethbridge Calendar, which contains detailed information on major, program, and degree requirements and is the final authority on all questions regarding the B.A./B.Mgt. or B.Sc./B.Mgt. Combined Degrees program.

DEGREE SUMMARY

How to use this summary: When you have met a requirement, place a check mark beside it. When all the requirements have been checked, you should be ready to graduate. You are urged to have a program check done in your final year of studies.

ARTS AND SCIENCE REQUIREMENTS

List each Arts and Science course you complete on this page. Each course will be listed only once under either 'Major' or 'Courses Outside the Major.' The total number of Arts and Science courses must be at least 30.

The minimum required number of courses (including cognates) is different for each Arts and Science major (see the 2010/2011 Calendar, Part 13 for details); the maximum number allowed from one department is 15. If you successfully complete the full 15 allowed in a department, you need 15 other courses to reach a total of 30 Arts and Science courses.

You must also complete a minimum of 20 Management courses for the B.A./B.Mgt. or B.Sc./B.Mgt. (see p. 4 of this guide).

Note: List all Arts and Science courses including transfer credit, both specified and unspecified. Unspecified credit is indicated on your transcript by the subject name and course level.

TRACKING YOUR ARTS AND SCIENCE REQUIREMENTS

Calendar Year: 2010/2011

One course can meet more than one requirement. Therefore, a course may be listed under more than one heading. For example, if you are a Philosophy major, the course Philosophy 3406 would count toward the major; it would count toward the senior course requirement; it would be listed as a non-Science course for the B.A.; and, it would be used in the General Liberal Education Requirement as a Humanities course. Philosophy 3406 would therefore be listed four times, since it is part of four separate requirements.

Note: All courses on this page must be Arts and Science courses. Courses cross-listed with the Faculty of Arts and Science may be included.
