Current and past Program Planning Guides are available on the UofL website at [www.uleth.ca/ross/ppgs/ppg.html](http://www.uleth.ca/ross/ppgs/ppg.html)

Calendar Year: 2011/2012

Faculty: Arts & Science

### Discipline Content

A Bachelor of Arts (Art) is a broad, general program of study. Students primarily interested in studio art can select any combination of drawing, painting, sculpture, photo-arts, printmaking, computer art, video, installation art, performance art, and audio art. If art history is your main interest, be sure to take advantage of the exceptional University of Lethbridge Art Collection by completing additional courses in art history and museum studies.

### UofL Art Collection

All Art students benefit from first-hand examination of original artworks in the University of Lethbridge Art Collection. One of the most impressive collections of any educational institution in Canada, it includes artwork representing several movements from Canada, America, and Europe spanning the 19th and 20th centuries, and continues to grow with 21st century additions.

### Visiting Artist Program

The Visiting Speakers in the Arts Program offered through Art Now and Architecture and Design Now, provides extensive exposure to leading practitioners in the field. With several high-profile visitors every week—including artists, critics, historians, and curators—students have a unique learning experience, one that illuminates national and international achievement.

### Career Opportunities

Graduates with a B.A. degree (Art major) can work in museums, art galleries, design, teaching, and, when combined with other areas of study, many other fields that require a creative mind.

### Co-operative Education

A Co-op option, requiring three work terms, is available. Students interested in the Co-operative Education/Internship program should contact the Coordinator of Co-operative Education in the Career Resources Centre (AH154 | phone: 403-382-7154) for further information.

Bachelor of Arts

**Program Requirements**

The B.A. degree with a major in Art requires 40 semester courses, including a minimum of 13 courses (39.0 credit hours) in the major. A maximum of 20 courses (60.0 credit hours) in Art and/or Art History/Museum Studies is allowed.

**Transfer Credit**

Remember that you may use both University of Lethbridge credit and credit transferred from another college or university to meet degree and major requirements. Transfer credit may be either specified or unspecified. Specified credit is indicated on your transcript by the subject name and the specific number of the course, e.g., Art History/Museum Studies 1000, Art History/Museum Studies 2225, etc. Unspecified credit (1XXX, 2XXX, etc.) is indicated by the subject name and the level of the course in parentheses, e.g., Art History/Museum Studies (1000 level), Art History/Museum Studies (2000 level), etc.

**Unspecified Course Credit**

Unspecified course credit means that the University of Lethbridge does not offer the same course you transferred in, but we recognize it and treat it as a regular course. An unspecified course would count as one of your maximum of 20 from one department, but it could not meet a specific course requirement. For example, if Art History/Museum Studies 2225 is required in your program, you could not use Art History/Museum Studies (2000 level) to fulfill that requirement. Students with unspecified transfer credit need to consult an Academic Advisor to establish how the transfer credit fits in the degree program. This should be done as soon as possible after transfer credit is awarded.

### Terms Used

**GLER course:** A course that could count toward the General Liberal Education Requirement. You may use courses in your major towards this 12-course requirement. See the 2011/2012 University of Lethbridge Calendar, Part 4 - Academic Regulations (p. 85) for complete information.

The Faculty of Arts and Science offers Liberal Education 1000 and 2000, specifically designed to introduce first-year students to the wide scope of human knowledge and teach essential university success skills, critical thinking, and integrative thinking (see the 2011/2012 University of Lethbridge Calendar, Part 14 - Courses, p. 306). LBED 1000 and 2000 may be used toward satisfying the GLER.

**Elective:** A course that you may choose freely from all those available and applicable to your program. Use courses inside or outside your major, bearing in mind any restrictions that may apply (e.g., a maximum of 20 courses from any one department).
