Information Systems Minor

About the Information Systems Minor

A minor in Information Systems is available as an adjunct to all majors, except Information Systems, in the Bachelor of Management degree, Post-Diploma Bachelor of Management degree, Professional Diploma in Accounting, Management Certificate, B.A./B.Mgt., B.Sc./B.Mgt., B.Mgt./B.Ed., Post-Diploma B.Mgt./B.Ed., B.F.A. (New Media)/B.Mgt., B.H.Sc./B.Mgt., and second degrees in Management. In some cases, achievement of the minor and a chosen major will require a student to take extra courses. For students who complete all the requirements, the minor in Information Systems will be acknowledged on the official transcript (see Part 11 - Faculty of Management in the 2012/2013 Calendar).

Why Complete an Information Systems Minor?

The objective of this minor is to understand how information systems are designed, built, and used in organizations. Increasingly, jobs require not only basic software literacy but also an understanding of how to organize, retrieve, and use information to support operations and decision making.

Minimum Grade Requirement

A minimum grade of 'C-' is required in all courses taken towards the Information Systems Minor.
