

## Program Planning Guide

Current and past Program Planning Guides are available on the UofL website at [www.uleth.ca/ross/ppgs/ppg.html](http://www.uleth.ca/ross/ppgs/ppg.html)

Calendar Year: 2013/2014

Faculty: Arts & Science/Education

### Department of Modern Languages

#### Modern Languages Programs

The Department of Modern Languages offers four majors for the B.A./B.Ed. Combined Degrees program: French, German, French/German, and French/Spanish. Students may complete a B.A./B.Ed. or B.Sc./B.Ed. Combined Degrees program with a Modern Languages Education minor. Please refer to the University of Lethbridge Calendar for more information.

#### Consult With the Department Advisor

Students requiring advice on the majors or minors offered by the Department of Modern Languages are strongly encouraged to consult with the Department Advisor as early as possible in their first two years of study.

#### Off-Campus Study and Scholarships

German/Modern Languages Education: German majors must participate in the German Visiting Student Program (GVSP) as part of their program requirements. Further information on this program may be obtained from the German Off-Campus Studies Coordinator in the Department. Scholarships of interest to students studying off campus include the Louis Sherman Turcotte Memorial Travel Scholarships. Further information on these awards may be found in the University of Lethbridge Calendar or at the Scholarships and Student Finance Office.

#### Book Prizes

Each Spring the Swiss and German Embassies provide to the Department of Modern Languages two German books that are traditionally awarded to students performing well in German courses. Recipients of the book prizes are normally continuing students either in Modern Languages or Education. No applications are required.

#### Independent Study Opportunities

Students interested in undertaking an Independent Study in the Department of Modern Languages should consult with an instructor of their choice.

#### Co-operative Education in the Humanities and Social Sciences

A Co-op option, requiring three work terms, is available. Students interested in the Co-operative Education/Internship program should contact the Coordinator of Co-operative Education in the Career Resources Centre (AH154 | phone: 403-382-7154) for further information.

### Faculty of Education

#### Choosing an Education Major

The Faculty of Education offers 11 different majors that correspond to teaching subjects in Alberta schools (see p. 161 in the 2013/2014 University of Lethbridge Calendar for a listing). In highly competitive teaching majors, the GPA for admission may be above the minimum requirements.

#### Choosing Courses Outside the Major

Students sometimes find that their initial objective to teach only at the elementary level or only at the secondary school level is later modified—or even completely changed. Students are therefore encouraged to select courses that will prepare them for teaching in a variety of situations. Moreover, students should select courses that not only provide breadth and richness for the classroom but also provide the basis for the development of a teaching minor or specialization.

#### Choosing an Education Minor

The Faculty of Education offers 18 minors (see p. 166 in the 2013/2014 University of Lethbridge Calendar for a listing). A minor consists of five non-Education courses (excluding those used in the major) and one curriculum and instruction Education course (to be completed after admission to the Faculty of Education). Students may use the same courses to fulfill the minor and the General Liberal Education Requirement (GLER).

German/Modern Languages Education: German

Bachelor of Arts/Bachelor of Education

**Choosing an Education Specialization**

The Faculty of Education offers two specializations:

- Special/Inclusive Education
- Technology in Education

The specializations consist of four courses and corresponding Professional Semester III focus.

**Advantages of Completing a Minor and/or Specialization**

Completing a minor and/or a specialization allows students to develop expertise in a second area of teaching and be more versatile and marketable as a graduating teacher. For more information, see the 2013/2014 University of Lethbridge Calendar, Part 8 - Education, Sections 7. Education Minors (p. 166) and 8. Education Specializations (p. 170).

**Where to Get Help**

Students may contact an Academic Advisor in Student Program Services in the Faculty of Education (email: edu.sps@uleth.ca | phone: 403-329-2254) or in the Faculty of Arts and Science (email: artsci.advising@uleth.ca | phone: 403-329-5106).

**Department of Modern Languages Placement Policy**

**Placement Test**

Students will enrol in courses for which they have the prerequisite listed in the Calendar. However, in order to confirm their enrolment in 1000-level language courses (1000, 1100 or 1500) in French, German, Japanese, or Spanish, students must satisfy the requirements of a compulsory Placement Test. This test is administered at the first class meeting of these courses each semester. For further information on the Placement Test, students should read the Department's Placement Policy, available from the Department Advisor or from the Department Administrative Assistant. Students may also consult with the French, German, Japanese, or Spanish Language Coordinator if they have further questions.

**Advanced Standing**

As a general rule, the Department of Modern Languages does not permit students to register in courses for which they do not have the prerequisites listed in the Calendar. However, students who think that they have adequate background to do well in a course without the prerequisite may apply to the Department for a waiver of prerequisite.

**Advanced Placement Exam**

The Advanced Placement Exam is used to assess the knowledge of students who wish to enrol in French, German, Japanese, or Spanish 1100-, 1500- or 2000-level courses without the formal prerequisites. For information on the Advanced Placement Exam, students should read the Department's Placement Policy, available from the Department Advisor or the Department Administrative Assistant. Students may consult with the French, German, Japanese, or Spanish Language Coordinator if they have further questions.

**Assessing Preparedness**

Students wishing to enrol in a 3000- or 4000-level course without the official prerequisite should have their preparedness for the course assessed through an interview with the course instructor.

**Prerequisite Waiver Forms**

Application forms for prerequisite waivers may be obtained from the Department Administrative Assistant, from instructors or from the Department Advisor. A waiver of prerequisite is not granted until these forms are signed by both the appropriate instructor and the Department Chair. The signed forms must be presented at the Arts and Science Student Program Services Office (SU060) at the time of registration.

**Program Requirements**

The B.A./B.Ed. combined degrees program with a major in German/Modern Languages Education: German requires a minimum of 50 courses, including 30 in Arts and Science and 20 in Education. A minimum of 14 courses is required in the German major. A maximum of 17 courses in German is allowed.

**Transfer Credit**

Remember that you may use both University of Lethbridge credit and credit transferred from another college or university to meet degree and major requirements. Transfer credit may be either specified or unspecified. Specified credit is indicated on your transcript by the subject name and the specific number of the course, e.g., German 1000, 2300, etc. Unspecified credit (1XXX, 2XXX, etc.) is indicated by the subject name and level of the course in parentheses, e.g., German (1000 level), German (2000 level), etc.

**Unspecified Course Credit**

Unspecified course credit means that the University of Lethbridge does not offer the same course you transferred in, but we recognize it and treat it as a regular course. An unspecified course would count as one of your maximum of 17 from one discipline, but it could not meet a specific course requirement. For example, if German 1500 is required in your program, you could not use German (1000 level) to fulfill that requirement. Students with unspecified transfer credit need to consult an Academic Advisor to establish how the transfer credit fits in the degree program. This should be done as soon as possible after transfer credit is awarded.

### Terms Used

**GLER course:** A course that could count toward the General Liberal Education Requirement. You may use courses in your major towards this 12-course requirement. See the 2013/2014 University of Lethbridge Calendar, Part 4 - Academic Regulations (p. 88) for complete information.

The Faculty of Arts and Science offers Liberal Education 1000 and 2000, specifically designed to introduce first-year students to the wide scope of human knowledge and teach essential university success skills, critical thinking, and integrative thinking (see the 2013/2014 University of Lethbridge Calendar, Part 14 - Courses, p. 307). LBED 1000 and 2000 may be used toward satisfying the GLER.

**Elective:** A course that you may choose freely from all those available and applicable to your program. Use courses inside or outside your major, bearing in mind any restrictions that may apply (e.g., a maximum of 17 courses from any one discipline).
