About the Bachelor of Nursing - After Degree Program

Students who have an approved degree from a recognized university may choose to complete either the Bachelor of Nursing After Degree program (see this guide) or the 40-course Bachelor of Nursing program (see the program planning guide for B.N.). The B.N. After Degree is a 24-month continuous program starting in September of each year.

Admission Requirements

Admission to the Bachelor of Nursing After Degree (B.N. After Degree) program may be gained by presentation of:

- An approved baccalaureate degree comprising at least 90.0 credit hours or equivalent from a post-secondary institution recognized by the University of Lethbridge.

OR

- Significant progress toward a baccalaureate degree in another field from a post-secondary institution recognized by the University of Lethbridge. Significant progress is defined as successful completion of at least 90.0 credit hours of transferable university-level studies.

See the 2013/2014 University of Lethbridge Calendar, Part 10 - Faculty of Health Sciences, Section 3. Admission, p. 196 for details on admission requirements.

Application/Document Deadlines

Applications must be received by March 1 for consideration for admission to the subsequent Fall semester. All final official documents accompanying the application must be received by June 15. Current Application/Document Deadlines are available at www.uleth.ca/ross/admissions/deadlines.html.

Program Requirements

Successful completion of at least 27 course equivalents (81.0 credit hours) with a cumulative grade point average of at least 2.50 on all courses taken for credit toward the degree.

Residence Requirement

27 Nursing course equivalents (81.0 credit hours)

Time Limits

All degree requirements must be completed within six years of the first Nursing course used for credit toward the degree.

Minimum Grade Requirement

A minimum grade of C is required in Nursing 1182/Nursing 1150. A student who receives a grade of C- or less must repeat the course prior to proceeding in the program. A minimum grade of C- is required in all other Nursing courses. Any student who receives a grade of D+ or lower is required to repeat the course and achieve a grade of C- or higher before being allowed to take further nursing courses and proceed in the program.
