

Program Planning Guide

Current and past Program Planning Guides are available on the UofL website at www.uleth.ca/ross/ppgs/ppg.html

Calendar Year: 2014/2015

Faculty: Fine Arts/Education

Department of Theatre and Dramatic Arts

Discipline Content

The insights of playwrights, concepts of directors and designers, interpretations of actors, organization of stage managers, and expertise of theatre technicians are all part of the intoxicating appeal of live theatre. Previous experience in drama is not a prerequisite for entry into this program, which provides a broad focus and the flexibility for students to shape their studies to reflect specific areas of interests.

About the B.F.A. (Dramatic Arts) Program

All B.F.A. (Dramatic Arts) students study aspects of theatre performance and production as well as history, theory, and criticism. They also participate, in some capacity, in the series of major productions produced annually by the Department of Theatre and Dramatic Arts.

Additional Information

For additional information about the Department of Theatre and Dramatic Arts, visit the Department's website: www.uleth.ca/finearts/drama. Students are also encouraged to refer to the Department's Information Handbook (www.uleth.ca/finearts/departments/drama/information-handbook).

Drama Production Credit

Drama 2600, 3600, and 4600 are courses that allow credit for participation in productions produced by the Department of Theatre and Dramatic Arts. Participation includes all aspects of the production process (acting, design, props, lighting, sound, stage management, etc.). Drama 2611, 3611, and 4611 are similar, but are limited to technical or design assignments. Registration in Drama 2611 requires the corequisite of Drama 2810. Drama 2611 is a prerequisite for Drama 3611 and 4611.

Procedure:

1. The production season is established in the spring of each year. The list is available from the Chair of the Department of Theatre and Dramatic Arts.
2. Students may contact the faculty member responsible for directing the play or watch the bulletin boards for notice of audition dates. Those interested in the technical aspects of the production may wish to contact the Technical Director.
3. Registration in the relevant course number normally occurs in the semester in which the production(s) will be completed. The usual course registration deadlines do not apply; however, if the course is not registered before November 15 for the Fall or March 15 for the Spring, registration will be delayed until the following semester.
4. The forms required to register are available from the Fine Arts Advising Office (W660). Registration is coordinated by the Faculty of Fine Arts Advising Office.

Co-operative Education in the Fine Arts

A Co-op option, requiring three work terms, is available. Students interested in the Co-operative Education/Internship program should contact the Coordinator of Co-operative Education in the Career Resources Centre (AH154 | phone: 403-382-7154) for further information.

Faculty of Education

Drama and Education

Success in Drama and Education has similar requirements including commitment, organization, creativity, and persistence.

Education 2500

Education 2500 is an introductory course that must be completed before admission to the program. Its main focus is to assist students in making a decision about the suitability of teaching as a career.

Field Experience

One of the strengths of the University of Lethbridge Education program is the extensive amount of field experience students acquire during their two years in the faculty. Beyond Education 2500, all students teach in the schools during Professional Semesters I (five weeks), II (six weeks), and III (full semester internship). Practicum placements in PS II and PS III focus on teaching drama in a variety of classroom contexts, while PS I is a more generic placement.

This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations. Contact an Academic Advisor in the Faculty of Fine Arts or Faculty of Education for advising information.

Performance	Because performance is an important form of communication for Drama teachers, students are encouraged to gain as much performance experience as possible by taking advantage of all the productions presented by Department of Theatre and Dramatic Arts. Along with the required Drama 3600, students may choose to take Drama 2600 and 4600 to gain additional performance experience.
'Methods for Non-majors' Elective	Education students are encouraged to take at least one 'methods for non-majors' elective such as Mathematics, Language Arts, or Social Studies after admission to the Faculty of Education and before entering Professional Semester II, and definitely before PS III.
Career Opportunities	Completing a B.F.A.(Dramatic Arts)/B.Ed. or B.A./B.Ed. Combined Degrees program enables graduates to teach from K to 12. However, the B.F.A.(Dramatic Arts)/B.Ed. program better equips graduates to teach Grades 7-12, and is especially valuable for teaching Grades 10-12.
Teaching in the Practicum	During their practicum, students may teach units on orientation, improvisation, reader's theatre, story theatre, mime, movement, and scene study. Possessing experience with some or all of these subjects helps ensure success in the classroom.
Education Minors	Students may complete an Education minor in addition to the major. The Faculty of Education offers 18 minors. A minor consists of five non-Education courses (excluding those used in the major) and one curriculum and instruction Education course (to be completed after admission to the Faculty of Education). Students may use the same courses to fulfill minor and General Liberal Education requirements. Completing a minor allows students to develop expertise in a second area of teaching and be more versatile and marketable as a graduating teacher. For more information, see the 2014/2015 University of Lethbridge Calendar, Part 8 - Education, Section 7. Education Minors (p. 166).
Program Requirements	The B.F.A. (Dramatic Arts)/B.Ed. Combined Degrees program requires a minimum of 50 semester courses, including 30 in Fine Arts (and Arts and Science) and 20 in Education. A minimum of 21 courses in Drama is required. Students begin this program in the Faculty of Fine Arts where they progress toward completion of Fine Arts degree requirements, and prepare to meet the admission requirements for the Faculty of Education. Students admitted to the Faculty of Fine Arts may declare their intention of completing the combined B.F.A. (Dramatic Arts)/B.Ed. degrees. Such students who have not yet been admitted to the Faculty of Education are designated pre-B.F.A. (Dramatic Arts)/B.Ed. After completion of the minimum number of courses required to be eligible for admission to the Faculty of Education, students may apply and, if accepted, be formally enrolled in the B.F.A. (Dramatic Arts)/B.Ed. Combined Degrees program. Students are not officially in the program until they have been admitted to BOTH the Faculty of Fine Arts (through admission to the University) and the Faculty of Education.
Transfer Credit	Remember that you may use both University of Lethbridge credit and credit transferred from another college or university to meet degree and major requirements. Transfer credit may be either specified or unspecified. Specified credit is indicated on your transcript by the subject name and the specific number of the course, e.g., Drama 1000, Drama 2130, etc. Unspecified credit (1XXX, 2XXX, etc.) is indicated by the subject name and the level of the course in parentheses, e.g., Drama (1000 level), Drama (2000 level), etc.
Unspecified Course Credit	Unspecified course credit means that the University of Lethbridge does not offer the same course you transferred in, but we recognize it and treat it as a regular course. An unspecified course would meet an elective requirement in your program, but it could not meet a specific course requirement. For example if Drama 2810 is required in your program, you could not use Drama (2000 level) to fulfill that requirement. Students with unspecified transfer credit need to consult an Academic Advisor to establish how the transfer credit fits in the degree program. This should be done as soon as possible after transfer credit is awarded.
