

## Program Planning Guide

Current and past Program Planning Guides are available on the UofL website at [www.uleth.ca/ross/ppgs/ppg.html](http://www.uleth.ca/ross/ppgs/ppg.html)

Calendar Year: 2014/2015

Faculty: Management

The Post-Diploma program is a two-year program leading to a Bachelor of Management degree. The 20 courses include Arts and Science/Fine Arts courses and Management courses (specific to the major selected).

### Admission

A student may gain admission to the Post-Diploma Bachelor of Management Degree program by completing an approved diploma in business administration or management with a cumulative program grade point average (GPA) at or above the current admission cut-off. Admission is guaranteed at 3.00 and above.

### Management Minors

The Faculty of Management offers minors in First Nations' Governance, Information Systems\*, International Management, New Media, Population Health, Social Responsibility, and Supply Chain Management. In some cases, achievement of the minor and a chosen major will require a student to take extra courses. Students may not declare a minor in the same subject as their major. For students who complete all the requirements, the minor will be acknowledged on the official transcript (see Part 11 - Faculty of Management in the UofL Calendar or the Minor Program Planning Guides available online at [www.uleth.ca/ross/program-planning](http://www.uleth.ca/ross/program-planning)).

*\*The major and minor in Information Systems for Management programs has been suspended, beginning May 1, 2013.*

### Duplicated Courses

Students who are admitted to the Post-Diploma Bachelor of Management program cannot receive credit for courses at the University of Lethbridge for which they have equivalent credit in their diplomas. For example, a student with a business diploma who has completed a transferable Human Resource Management course in the diploma cannot take Management 3050/Political Science 3420 - Human Resource Management at the University of Lethbridge for credit. Substitute courses will be assigned by the Faculty of Management to replace any courses for which they have equivalent credit. Substitute courses must be approved by the Faculty of Management. Diploma courses that satisfy Core Requirements must have a minimum grade requirement of 'C-'. Students are strongly encouraged to consult with an academic advisor if they have questions.

### Campuses

The Faculty of Management offers programs on three campuses: Calgary, Edmonton, and Lethbridge. On the Lethbridge campus, students can pursue all programs and majors offered by the Faculty of Management. The Calgary and Edmonton campuses serve adult learners who may be in the work force wanting to further their education. These campuses offer the B.Mgt., Post-Diploma B.Mgt., second degree in Management, the Professional Diploma in Accounting, and other Management Certificates. The following majors are offered on the Calgary Campus: Accounting, Finance, General Management, Human Resource Management and Labour Relations, and Marketing. Students who wish to complete International Management on the Calgary Campus may require alternate arrangements to complete the requirements for this major. The Edmonton Campus offers the General Management major and the Professional Diploma in Accounting program.

**General Liberal Education Requirement (GLER)**

A Post-Diploma program must include 10 Arts and Science or Fine Arts courses to meet a modified General Liberal Education Requirement (refer to the 2014/2015 University of Lethbridge Calendar, p. 88) as follows:

**Minimum Grade Requirement**

A minimum grade of 'C-' is required in Statistics 1770; Writing 1000 OR a university English course; and all Management courses in order to meet degree requirements.

You are required to meet all prerequisites for individual courses in the Post-Diploma program. You are strongly cautioned to meet all prerequisites in your chosen major. If the major selected is different from that in your college diploma program, be aware that you may lack the prerequisites. For further information, please refer to the 2014/2015 University of Lethbridge Calendar (Part 14 - Courses) or consult the Management Undergraduate Programs Office (refer to Campuses section).

**Sequencing**

Courses in this major may not be offered every semester. Students should consult current timetables. Students may opt to take Summer Session courses which may reduce the overall length of time required to complete the degree. Sequencing of courses will vary for part-time students.
