Some minors are available in the combined degrees programs. Please refer to Part 13 of the University of Lethbridge Calendar for full details.

Note: Students cannot take a minor in the same subject as their major.

Why Complete a First Nations' Governance Minor?

Want a First Nations' perspective on management? Learn from highly respected Aboriginal and non-Aboriginal professionals and scholars. When you choose the First Nations' Governance minor you will gain a better understanding of the opportunities and challenges faced by First Nations' communities and peoples. A better understanding of on- and off-reserve issues will help you develop managerial, administrative, and leadership skills needed in government, band administration, financial and resource management, and the oil and gas industry.

A minimum grade of 'C-' is required in all courses taken towards the First Nations' Governance Minor.
