Faculty: Management

General Requirements

Students must complete at least four courses (12.0 credit hours), including at least one course (3.0 credit hours) at the 3000/4000 level.

Students may not double count courses required for the minor in fulfilling requirements for their major or second minor. The four courses comprising the minor must be distinct from any such major or second minor requirements.

For students who complete the required courses, the minor will be acknowledged on the official transcript.

Minors are available in the Bachelor of Management degree, Post-Diploma Bachelor of Management degree, Professional Diploma in Accounting, Management Certificate and second degrees in Management.

Some minors are available in the combined degrees programs. Please refer to Part 13 of the University of Lethbridge Calendar for full details.

Note: *Students cannot take a minor in the same subject as their major.*

Why Complete an International Management Minor?

How can you experience other cultures while advancing your education? Learn about international issues first-hand? Take advantage of the minor in international management and become a true global learner. By choosing the International Management minor and going on a semester exchange, you will broaden your horizons, expand your global network, and gain a competitive advantage. You may have a hard time deciding which destination to choose as we have 29 exchange locations in 22 different countries. Our exchange programs are open to all UofL students regardless of campus, major, or second language ability as many of our partner schools offer courses in English. So choose the international management minor and go global.

Students have the option to take two summer exchanges in two different countries, or one summer exchange and Management 4640 - Cross-Cultural Work Study if they cannot participate in a full-semester exchange. Where possible, courses completed while on exchange will have international content; where international content is not possible, courses should reflect the unique cultural aspects of the host country or region.

- At least two courses must be Management courses
- One course may be a language or culture course

Note: *Students should be aware that some of the above courses have prerequisites which may require taking courses extra to their degrees. Check with an academic advisor for more information.*

Students admitted prior to 2011/2012 will need to complete a program change form to add the International Management Minor to their programs as well as change their Calendar years to 2011/2012 or later (consult the applicable UofL Calendar for the International Management Minor requirements in effect for that particular Calendar year). Forms are available from the Registrar's Office and Student Services (ROSS).
