Current and past Program Planning Guides are available on the UofL website at www.uleth.ca/ross/ppgs

Calendar Year: 2015/2016

Faculty: Fine Arts

Discipline Content

The insights of playwrights, concepts of directors and designers, interpretations of actors, organization of stage managers, and expertise of theatre technicians are all part of the intoxicating appeal of live theatre. Previous experience in drama is not a prerequisite for entry into this program, which provides a broad focus and the flexibility for students to shape their studies to reflect specific areas of interests.

About the B.F.A. - Dramatic Arts Program

All B.F.A. - Dramatic Arts students study aspects of theatre performance and production as well as history, theory, and criticism. They also participate, in some capacity, in the series of major productions produced annually by the Department of Theatre and Dramatic Arts.

Performance or Technical/Design Majors

Students initially choose one of two majors: Performance or Technical/Design. Students who intend to pursue the Performance major must successfully audition in their second year to continue in or transfer to the Performance major. Students who are unsuccessful or choose not to audition may pursue a Technical/Design major, but should first consult with a Fine Arts Academic Advisor. Through a combination of academic study and practical experience, students develop knowledge and skills that prepare them to be imaginative, flexible, adaptable, and creative.

Career Opportunities

Graduates are equipped to step confidently into the entertainment industry, graduate studies, or a variety of other professions. The broad communication skills, creative expertise, and specialized technical skills acquired during the program equip students to follow such diverse career paths as writing, sales, journalism, theatre management, acting, scene design, directing, and technical production.

Program Requirements

The B.F.A. - Dramatics Arts degree requires 40 semester courses, including a minimum of 27 Drama courses for Performance majors and a minimum of 24 Drama courses for Technical/Design majors.

Transfer Credit

Remember that you may use both University of Lethbridge credit and credit transferred from another college or university to meet degree and major requirements. Transfer credit may be either specified or unspecified. Specified credit is indicated on your transcript by the subject name and the specific number of the course, e.g., Drama 1000, Drama 2130, etc. Unspecified credit (1XXX, 2XXX, etc.) is indicated by the subject name and the level of the course in parentheses, e.g., Drama (1000 level), Drama (2000 level), etc.

Unspecified Course Credit

Unspecified course credit means that the University of Lethbridge does not offer the same course you transferred in, but we recognize it and treat it as a regular course. An unspecified course would meet an elective requirement in your program, but it could not meet a specific course requirement. For example if Drama 2120 is required in your program, you could not use Drama (2000 level) to fulfill that requirement. Students with unspecified transfer credit need to consult an Academic Advisor to establish how the transfer credit fits in the degree program. This should be done as soon as possible after transfer credit is awarded.

Procedure:

1. The production season is established in the spring of each year. The list is available from the Chair of the Department of Theatre and Dramatic Arts.

3. Registration in the relevant course number normally occurs in the semester in which the production(s) will be completed. The usual course registration deadlines do not apply; however, if the course is not registered before November 15 for the Fall or March 15 for the Spring, registration will be delayed until the following semester.
4. The forms required to register are available from the Fine Arts Advising Office (W660). Registration is coordinated by the Faculty of Fine Arts Advising Office.
