Career Opportunities

Completing a B.Mus./B.Ed. or B.A. (Music)/B.Ed. Combined Degrees program enables graduates to teach from Kindergarten to Grade 12. We advise students planning to teach music at the secondary level to take Education 3872, 3875, and 3876. Students planning to teach at the elementary level should take Education 3871 and 3877 plus a Fine Arts Education elective.

Education 2500

Education 2500 is an introductory course that must be completed before admission to the program. Its main focus is to assist students in making a decision about the suitability of teaching as a career.

Field Experience

One of the strengths of the University of Lethbridge Education program is the extensive amount of field experience students acquire during their two years in the faculty. Beyond Education 2500, all students teach in the schools during Professional Semesters I (five weeks), II (six weeks), and III (full semester internship). Practicum placements in PS II and PS III focus on teaching Music in a variety of classroom contexts, while PS I is a more generic placement.

Strong Musical Skills

All music majors, regardless of degree combination, must demonstrate strong musical skills. Therefore, students should gain as much musical experience as possible prior to applying to the Faculty—performing in university and/or community ensembles, taking the maximum studio courses, and so forth. Volunteer activities or work experience related to teaching (not necessarily only music) also strengthens a potential candidate's application to the Faculty as well as his or her teaching performance after admission.

Piano Proficiency

Basic piano proficiency is also a requirement for the successful completion of Professional Semester II.

Note: *Individuals without piano training can meet this requirement through participation in weekly piano lab sessions and considerable practice.*

Education Minors

Students may complete an Education minor in addition to the major. The Faculty of Education offers 18 minors. A minor consists of five non-Education courses (excluding those used in the major) and one curriculum and instruction Education course (to be completed after admission to the Faculty of Education). Students may use the same courses to fulfill minor and General Liberal Education requirements. Completing a minor allows students to develop expertise in a second area of teaching and be more versatile and marketable as a graduating teacher. For more information, see the 2016/2017 University of Lethbridge Calendar, Part 8 - Education, Section 7. Education Minors (p. 166).

Studio Audition Procedure

An audition is required to ascertain the applicant's abilities, musical development, overall musicianship, and potential.

Audition Dates

Fall Semester: Instrumental and vocal auditions for the fall semester are held in February and March. Although a live audition is highly preferred, it is possible to submit an audition video to SlideRoom (ulethbridge.slideroom.com) by the deadline of June 15.

Spring (January) Semester: Instrumental and vocal auditions are held within the last two weeks of November only if space is available. Although a live audition is highly preferred, it is possible to submit an audition video to SlideRoom (ulethbridge.slideroom.com) by the deadline of November 15.

Note: *Some Entrance Scholarships are available based on live auditions and completing the appropriate scholarship application form by the deadline. (Early Entrance - March 1; Others - June 1).*

Audition dates and more audition information is available at uleth.ca/finearts/departments/music/studio-audition-requirements.

Audition Application

Applications are available at uleth.ca/finearts/departments/music/studio-audition-application.

Audition Accompaniment

Instrumental and vocal auditions must be accompanied unless the piece is written as an unaccompanied solo. Applicants are encouraged to supply the accompanist. If that is not possible, please call 403-329-2495 at least two weeks prior to the scheduled audition.

Studio Instructors

Requests for a specific studio instructor should be made at the time of the audition. Every effort will be made to accommodate the request, but final assignment of instructors rests with the Department of Music.

Late Auditions

Late auditions will be granted under extenuating circumstances, but admission to Studio classes is not guaranteed after the audition deadline.

This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations. Contact an Academic Advisor in the Faculty of Fine Arts or Faculty of Education for advising information.
