This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations. Contact an Academic Advisor in the Faculty of Management for advising information.

Name : _____

ID : _____

Notes

Prerequisite(s), Corequisite(s), and Recommended Background Many of the Professional Diploma in Accounting courses have prerequisite, corequisite and/or recommended background requirements that are above and beyond the 10 courses in the program. As a result, completion of this program may take more than one year of study. Check prerequisites and corequisites in the current Academic Calendar or Timetable for each course before registering.

Residence Requirement Students must complete a minimum of five courses towards the Professional Diploma in Accounting at the University of Lethbridge. In addition, students must complete five of the following courses at the University of Lethbridge: MGT 3100, MGT 3101, MGT 3130, MGT 3131, MGT 3151, MGT 3160, MGT 3170, MGT 3180, MGT 4110, MGT 4130, MGT 4151, MGT 4160.

Time Limit All Professional Diploma in Accounting requirements must be completed within five years after acceptance into the Faculty of Management.

Minimum Grade Requirement A minimum grade of 'C-' is required in all Management courses to meet Professional Diploma in Accounting requirements. It is important to note that professional bodies (CPA) have their own minimum grade requirements. For further information, please contact an academic advisor or professional body representative.
