Art/Art Education

Bachelor of Fine Arts - Art/Bachelor of Education

This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations. Contact an Academic Advisor in the Faculty of Fine Arts or Faculty of Education for advising information.

## Admission to the Faculty of Education

- \_\_\_\_\_ Completion of a minimum of 20 term courses (60.0 credit hours).  
**Note:** Due to course sequencing, the Faculty of Fine Arts strongly encourages students to complete 30 courses prior to applying to the Faculty of Education.
- \_\_\_\_\_ Minimum cumulative grade point average of 2.50 on all U of L and transferable courses taken within the terms containing the last 20 courses (60.0 credit hours). All courses must be graded with the exception of Education 2500.
- \_\_\_\_\_ Minimum of eight courses (24.0 credit hours) in Art, Art History, and/or Museum Studies.
- \_\_\_\_\_ Minimum cumulative grade point average of 2.50 on all graded courses comprising the major, including all transferable courses.
- \_\_\_\_\_ Credit in Education 2500 - Practicum I - Orientation to Teaching (or equivalent) including a favourable recommendation from the instructor.

## Faculty of Education

<b>Education 2500</b>	Education 2500 is an introductory course that must be completed before admission to the program. Its main focus is to assist students in making a decision about the suitability of teaching as a career.
<b>Field Experience</b>	One of the strengths of the University of Lethbridge Education program is the extensive amount of field experience students acquire during their two years in the faculty. Beyond Education 2500, all students teach in the schools during Professional Semesters I (five weeks), II (six weeks), and III (full term internship). Practicum placements in PS II and PS III focus on teaching art in a variety of classroom contexts, while PS I is a more generic placement.
<b>Studio Practice</b>	Students will experience many different aspects of studio practice ranging from integrating Art across the curriculum from Kindergarten through Grade 12, to teaching Art as a separate discipline. Therefore, it is recommended that students develop strong studio art skills prior to admission to the faculty.
<b>Career Opportunities</b>	Completing a B.F.A. - Art/B.Ed. or B.A./B.Ed. Combined Degrees program enables graduates to teach from K to 12. However, the B.F.A. - Art/B.Ed. program better equips graduates to teach Grades 7-12, and is especially valuable for teaching Grades 10-12.
<b>Teaching in the Practicum</b>	Art students commonly teach units on painting, ceramics, drawing, and computers, as well as another subject such as Mathematics, Social Studies, Science, or Language Arts. Therefore, students must be strong and confident in the area of Art to integrate it with other subjects.

<b>Program Requirements</b>	The B.F.A. - Art/B.Ed. Combined Degrees program requires a minimum of 50 term courses, including 30 in Fine Arts (and Arts and Science) and 20 in Education. A minimum of 22 Art, Art History, and/or Museum Studies courses (66.0 credit hours). Students begin this program in the Faculty of Fine Arts where they progress toward completion of Fine Arts degree requirements, and prepare to meet the admission requirements for the Faculty of Education. Students admitted to the Faculty of Fine Arts may declare their intention of completing the combined B.F.A. - Art/B.Ed. degrees. Such students who have not yet been admitted to the Faculty of Education are designated pre-B.F.A. - Art/B.Ed. After completion of the minimum number of courses required to be eligible for admission to the Faculty of Education, students may apply and, if accepted, be formally enrolled in the B.F.A. - Art/B.Ed. Combined Degrees program. Students are not officially in the program until they have been admitted to BOTH the Faculty of Fine Arts (through admission to the University) and the Faculty of Education.
-----------------------------	---

<b>Transfer Credit</b>	Remember that you may use both University of Lethbridge credit and credit transferred from another college or university to meet degree and major requirements. Transfer credit may be either specified or unspecified. Specified credit is indicated on your transcript by the subject name and the specific number of the course, e.g., Art History 1000, Art History 2225, etc. Unspecified credit (1XXX, 2XXX, etc.) is indicated by the subject name and the level of the course in parentheses, e.g., Art History (1000 level), Art History (2000 level), etc.
------------------------	--

<b>Unspecified Course Credit</b>	Unspecified course credit means that the University of Lethbridge does not offer the same course you transferred in, but we recognize it and treat it as a regular course. An unspecified course would meet an elective requirement in your program, but it could not meet a specific course requirement. For example, if Art History 2225 is required in your program, you could not use Art History (2000 level) to fulfill that requirement. Students with unspecified transfer credit need to consult an Academic Advisor to establish how the transfer credit fits in the degree program. This should be done as soon as possible after transfer credit is awarded.
