Requirements may include courses in Art History or Museum Studies and a selection of Art studio courses drawn from offerings in drawing, painting, sculpture, photo-arts, printmaking, computer art, video, installation art, performance art, and/or audio art. Art Studio majors will complete 6.0 credit hour courses in both Advanced and Senior studio that are offered in concentrated time slots (two five-hour blocks per week) to ensure uninterrupted creative activity.

### Portfolio Requirements

### U of L Art Collection

All Art students benefit from first-hand examination of original artworks in the University of Lethbridge Art Collection. One of the most impressive collections of any educational institution in Canada, it includes artwork representing several movements from Canada, America, and Europe spanning the 19th and 20th centuries, and continues to grow with 21st century additions.

### Visiting Artist Program

The Visiting Speakers in the Arts Program, offered through Art NOW and Architecture and Design NOW, provides extensive exposure to leading practitioners in the field. With several high-profile visitors every week—including artists, critics, historians and curators—students have a unique learning experience, one that illuminates national and international achievement.

### Career Opportunities

In addition to creating artwork, careers in Art include administrative positions in galleries and museums, design, teaching, art conservation, and art therapy. Many alternatives can also be generated by using elective courses in other disciplines such as New Media, Urban and Regional Studies, Psychology, and Management.
