About the Post-Diploma B.F.A. - Dramatic Arts Program

This broad, general-focus program is appropriate for students with a technical or performance diploma in Theatre or Drama. Post-Diploma students study theatre history, acting, stagecraft, and obtain hands-on, practical, experience by participating in the series of major productions presented by the Department of Drama.

Portfolio/Audition Requirements

Students declare the major that most closely corresponds to the content of the diploma. All students must provide a portfolio, and an audition is required for the Performance major. Admission requirements can be found on p. 143 of the 2020/2021 University of Lethbridge Calendar and at www.uleth.ca/fine-arts/student-support/admissions/drama-additional-requirements.

Career Opportunities

Graduates are equipped to step confidently into the entertainment industry, graduate studies, or a variety of other professions.

Procedure:

1. The production season is established in the spring of each year. The list is available from the Chair of the Department of Drama.
2. Students may contact the faculty member responsible for directing the play or watch the bulletin boards for notice of audition dates. Those interested in the technical aspects of the production may wish to contact the Technical Director.
3. Registration in the relevant course number normally occurs in the semester in which the production(s) will be completed. The usual course registration deadlines do not apply; however, if the course is not registered before November 15 for the Fall or March 15 for the Spring, registration will be delayed until the following semester.
4. Registration is coordinated by the Faculty of Fine Arts Advising Office.
