Faculty: Fine Arts/Education

Faculty of Education

Career Opportunities	Completing a B.Mus./B.Ed. or B.A. (Music)/B.Ed. Combined Degrees program enables graduates to teach from Kindergarten to Grade 12. We advise students planning to teach music at the secondary level to take Education 3872, 3875, and 3876. Students planning to teach at the elementary level should take Education 3871 and 3877 plus a Fine Arts Education elective.
Education 2500	Education 2500 is an introductory course that must be completed before admission to the program. Its main focus is to assist students in making a decision about the suitability of teaching as a career.
Field Experience	The Faculty of Education provides extensive field experience during the two years of study in the Education program. Beyond Education 2500, all students teach in the schools during Professional Semesters I (five weeks), II (six weeks), and III (full semester internship).
Strong Musical Skills	All music majors, regardless of degree combination, must demonstrate strong musical skills. Therefore, students should gain as much musical experience as possible prior to applying to the Faculty—performing in university and/or community ensembles, taking the maximum studio courses, and so forth. Volunteer activities or work experience related to teaching (not necessarily only music) also strengthens a potential candidate's application to the Faculty as well as his or her teaching performance after admission.
