This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations. Contact an Academic Advisor in the Faculty of Arts and Science for advising information.

**Double Major (B.A. or B.Sc.)**

Completion of at least 40 courses (120.0 credit hours) with a grade point average of at least 2.00.

Students completing the Bachelor of Arts may declare and complete two established majors for the B.A., and students completing the Bachelor of Science may declare and complete two established majors for the B.Sc. Students interested in completing an arts major and a science major should consult an academic advisor regarding the Bachelor of Arts and Science (BASc.) degree program.

Individual Multidisciplinary majors and General majors are ineligible for double major designation. Double counting of courses is not allowed. Students choosing to complete two majors may need to complete more than the minimum 40 courses for the degree depending on the choice of majors.

Students interested in a second major should begin their studies in a single major and apply for the second major at a later date. To be approved for the declaration of a second major, the following requirements must be met (in addition to high school requirements - see the 2019/2020 Calendar, p. 78):

1. A minimum cumulative GPA of 3.00 on the completion of at least 10 courses (30.0 credit hours) at the University of Lethbridge.
2. Completion of at least one course (3.0 credit hours) in the main discipline of the major. For example, students wishing to declare a second major in Biochemistry must have completed at least one course labeled Biochemistry.
