University of Alberta

This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations.

Contact an Academic Advisor (www.uleth.ca/ross/academic-advising) for advising information.

Name : _____

ID : _____

Students with an academic objective of Medicine at the University of Alberta are admitted to the B.Sc. program with a major in Agricultural Biotechnology, Biochemistry, Biological Sciences, Chemistry, or Neuroscience. Please refer to the appropriate Program Planning Guide for a sample sequence of courses.

Academic Requirements for Admission

The minimum requirement for admission to the MD program is the satisfactory completion of 60 credits of transferable postsecondary work, of which 30 credits must be taken during one academic year (fall/spring). Most students admitted to the MD program have completed 4 or more years of post-secondary.

No degree is preferred and no specific courses are required for application or acceptance to the MD program at the University of Alberta. Applicants should consider taking as many of the courses listed below as their schedules allow, as the content of these courses will be helpful when writing the MCAT and during the MD program. Whether or not an applicant has taken these courses at the time of application will not be taken into consideration.

Suggested courses:

Biology, Biochemistry, General Chemistry, Organic Chemistry, English, Physics, Physiology, Psychology/Sociology/Anthropology and Statistics/Calculus

Application Information

Documents required	Deadlines
Online application The online application includes: • U of A General Undergraduate Application • Secondary Medicine Application The online application includes: • Names and contact information for 2 references • Personal activities statement	October 15
Two official transcripts indicating grades to date and Fall registration	October 15

Two official transcripts - final	June 15

General Information

Students should contact the Faculty of Medicine & Dentistry if concerned about:

- The treatment of 'D' grades in the admission GPA; and,
- The treatment of Cr/NC or P/F courses.

Students interested in Medicine at the University of Alberta are urged to consult with Student Program Services. Direct consultation with the University of Alberta is strongly recommended because regulations may be amended without notice.
