Drama Production Credit

Drama 2600, 3600, and 4600 are courses that allow credit for participation in productions produced by the Department of Drama. Participation includes all performance aspects of the production process. Drama 3611 and 4611 are similar, but are limited to technical or design assignments. Registration in Drama 3611 requires the prerequisite of Drama 2810. Drama 3611 is a prerequisite for Drama 4611.

Procedure:

1. The production season is established in the spring of each year. The list is available from the Chair of the Department of Drama.
2. Students may contact the faculty member responsible for directing the play or watch the bulletin boards for notice of audition dates. Those interested in the technical aspects of the production may wish to contact the Technical Director.
3. Registration in the relevant course number normally occurs in the term in which the production(s) will be completed. The usual course registration deadlines do not apply; however, if the course is not registered before November 15 for the Fall or March 15 for the Spring, registration will be delayed until the following term.
4. Registration is coordinated by the Faculty of Fine Arts Advising Office.
