This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations.

Contact an Academic Advisor ([www.ulethbridge.ca/ross/academic-advising](http://www.ulethbridge.ca/ross/academic-advising)) for advising information.

**Note:** Not more than 12 courses (36.0 credit hours) may be completed at the 1000 level for credit towards the degree. Students interested in specific career paths can find a list of suggested courses at [www.ulethbridge.ca/healthsciences/phlists](http://www.ulethbridge.ca/healthsciences/phlists).

Completing a minor may require taking courses above the minimum degree requirements and could lengthen the duration of your program. Consult your Academic Advisor prior to declaring a minor.
