## Bachelor of Arts

### French and Spanish

In today's globalized context, students of modern languages are being prepared for membership in a global community that extends far beyond the boundaries of the English-speaking world. Modern Languages is about far more than just learning how to communicate in another language. It's about exploring other identities and values through language, literature, history and culture in a global community. Students who study French/Spanish will gain awareness of other cultures through courses in language, literature, and culture and civilization, and through academic and living experiences in Canada or abroad.
