Bachelor of Arts

French

In today's globalized context, students of modern languages are being prepared for membership in a global community that extends far beyond the boundaries of the English-speaking world. The study of modern languages is about far more than just learning how to communicate in another language. It's about exploring other identities and values through language, literature, history and culture in a global community. Students who study French will gain awareness of other cultures through courses in language, literature, and culture and civilization, and through academic and living experiences in francophone Canada or abroad.

Students may **not** count French 1000 (Beginners' French I) among the minimum requirements for the major.

Students registering in introductory language courses must complete the Student Information Form to determine whether they are registered in the appropriate course. Students may be asked to write the Student Placement Test. Advanced placement may be granted to students who have acquired language skills outside of a formal academic environment. Please refer to www.ulethbridge.ca/artsci/modern-languages/department-modern-languages-placement-policy for more information.

Students who have not completed French 30 or French 31 (or equivalent) should begin their program with French 1000 and/or French 1100 depending on placement test results.

French 2250 and the French Visiting Student Program are required. Please refer to www.ulethbridge.ca/artsci/modern-languages/visiting-student-programs-vsp for information on the Visiting Student Program.

It is strongly recommended that a student attain a grade of 'C' or higher in any course used to satisfy prerequisites for courses in French. For more information see an academic advisor in the Student Program Services Office.
