Name: _____

Bachelor of Therapeutic Recreation

Our Bachelor of Therapeutic Recreation will prepare graduates to become certified therapeutic recreation specialists (CTRS). The program is the first of its kind in Alberta and one of only eight degree programs leading to therapeutic recreation certification in Canada. Therapeutic recreation uses functional intervention, education and recreation to help those with cognitive, physical, emotional and social limitations gain independence and reduce barriers to wellness and activity. This career field is emerging as one of the most promising growth professions in health care.

What determines my program requirements?

Please refer to the Academic Calendar (www.ulethbridge.ca/ross/academic-calendar) for complete program information.

Calendar Year: 2024/2025 - Your calendar year is set to the academic year you are admitted (or readmitted) and you should follow the requirements for that year for the duration of your program.

General Requirements

- Successful completion of at least 20 course equivalents (60.0 credit hours) with a cumulative GPA of at least 2.50 (on the University of Lethbridge 4.0 scale) on all Therapeutic Recreation courses taken for credit towards the degree.
- A minimum grade of 'C' is required in all Therapeutic Recreation (TREC) courses. Any student who receives a grade of 'C-' or lower is required to repeat the course and achieve a grade of 'C' or higher.
- Residence requirement: 20 course equivalents (60.0 credit hours).
- All degree requirements must be completed within six years of the first Therapeutic Recreation course used for credit towards the degree.
- Completion of three courses from Lists I and II for the Liberal Education List Requirement (see **School of Liberal Education** in the 2024/2025 University of Lethbridge Calendar, www.ulethbridge.ca/ross/academic-calendar) as follows:
 1. At least one course from List I: Fine Arts and Humanities Courses; and
 2. At least two courses from List II: Social Science Courses.

Optional Minor:

Due to the structured nature of the B.T.R. program, students are **strongly discouraged** from declaring a minor. Completing a minor will require taking courses above the minimum degree requirements and could lengthen the duration of your program. Consult your Academic Advisor prior to declaring a minor.

For information about minors see **Minors** in the 2024/2025 University of Lethbridge Calendar, www.ulethbridge.ca/ross/academic-calendar.

Recommended Course Sequence

Shown below is the recommended sequence of courses for your degree. Consult timetables for course offerings, prerequisites, and corequisites before registering each term as some courses may have limited offerings (ie. once a year, alternating years, or only offered in the Fall or Winter terms). Students are strongly encouraged to follow the sequencing plan outlined here. Not following the sequencing plan may result in extending the length of your program. Consult with an Academic Advisor in your faculty if you wish to alter this sequence with regard to the specifically listed courses.

Note that this sequence was prepared based on course scheduling at the time of publication and may change during your studies.
