## Bachelor of Arts

### Music

Whether you are interested in performance, composition, digital audio arts or music education, our classical music programs are flexible to meet your specific needs and goals. Through our classical music programs, you can choose a performance route and receive one-on-one instruction from master performer-teachers. Entrance to studio courses is dependent on a successful audition. You'll attend guest artist classes and have multiple performance opportunities throughout the year. Recitals showcase your development and accomplishments as a musician, and your experience is enhanced by participation in ensembles.
