Bachelor of Arts / Bachelor of Education

Music / Music Education

As an Education major, a student develops a strong knowledge base in the subject area they intend to teach. They also receive in-depth preparation in how to teach, including both general and subject area instructional methods. Students are provided with thorough training on their chosen instrument are strengthened by a carefully integrated stream of courses in music theory, history, literature and ear training, as well as participation in performing ensembles. The flexibility of this stream will allow students to gain a diversified set of qualifications which will better meet the needs of multi-subject teaching common in elementary schools.
