## Bachelor of Arts

### Art

A bachelor's degree (BA) in art allows you to explore art as well as other interests; it offers flexible program options, while you focus on studio art and art history/museum studies courses. Build your program across art, humanities, sciences and social sciences. You'll delve into studio art and art history/museum studies courses to understand and appreciate art from around the world, and immerse yourself in the study of culture and creativity. You'll also compliment these studies with courses outside your major to achieve your degree.
